01

Sasane Education Society established New English School at Hadapsar in 1985

02

Initially the school was running in an old dilapidated Wada with classes 1st to 4th with a total strength of 80 students and 2 teachers.

03

Later on in 1991 a 3 storeyed building with 18 class-rooms was constructed. There were about 1200 students, 40 teaching and non-teaching staff by then.

04

By 2018 the strength increased to 2500 students with 150 staff members (teaching & non teaching staff) & started functioning in the present 4 storeyed building.

05

A second building with 4 floors & 12 class-rooms has been constructed at the same premises. Pre-Primary & Primary sections conduct their classes in this building from the academic year (2013-14)

06

Functional in two acres of the land at Sasane nagar the 4 storeyed building has 34 rooms with 3 Science Laboratories, Library, Computer Lab, AV rooms, Auditorium & a big play ground. In addition to this, a 4 storeyed new building with 12 class rooms is functional from 2013.

07

The School was well equipped Science Laboratories, Computer Laboratory, Library, Spacious Ground and Transport Facilities.

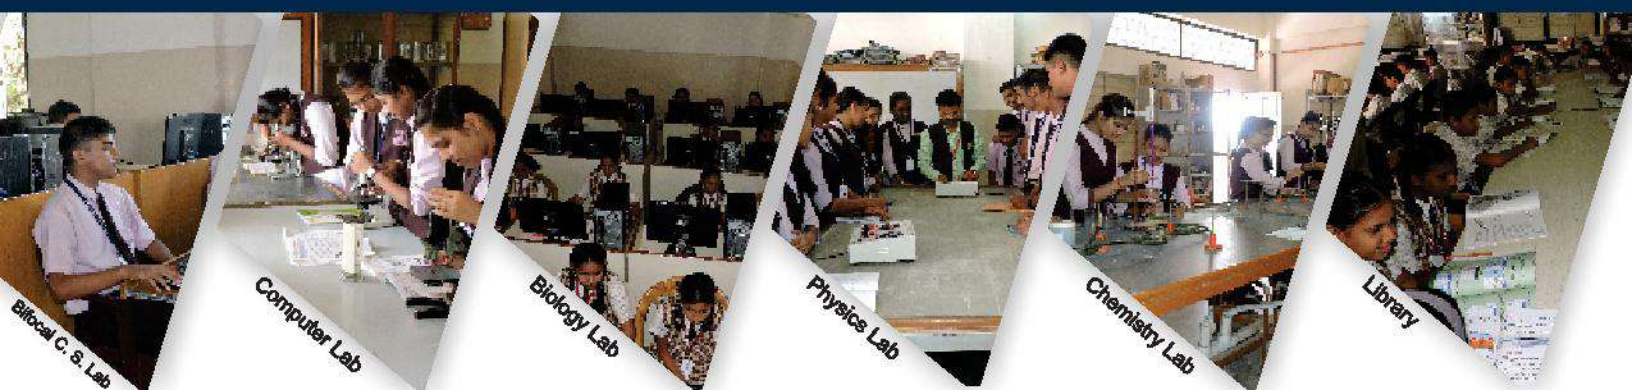

08

To add a feather in the cap, we have started Arts, Commerce & Science Jr. College (English Medium) from the academic year 2013-14. All this has been possible due to the able guidance of the Management, co-operation from the parents, dedicated staff & students.

- ◆ The aim of our School is to Train the students educationally and build foundation for the national progress.
- ◆ To create happy and caring school environments, in which the children learn that courtesy, good manners and consideration for others are valued qualities.
- ◆ To develop helpful learning attitudes, useful learning skills and with continuity and progression, to increase the child's knowledge and understanding.
- ◆ To teach the children to communicate effectively, both in spoken and written English, for a variety of purposes, with and appropriate emphasis on handwriting, spelling, grammar and punctuation.
- ◆ To develop knowledge, understanding of basic mathematical operations and the ability to apply these appropriately.
- ◆ To encourage scientific curiosity and to improve the children's skills and knowledge in Science and Technology, and to further develop their use of information Technology throughout the curriculum.
- ◆ To awaken and create awareness of the world around us through historical, geographical and scientific studies.
- ◆ To develop the children's abilities and enjoyment in physical activities including games.
- ◆ To promote equal opportunities for everyone regardless of gender, race or ability.
- ◆ To promote close liaison with parents, governors and the local community.
- ◆ To inculcate moral values as a personal choice and to weigh moral values with an upright conscience.
- ◆ In future, commencement of class on languages Japanese, German, Sanskrit and Abacus.

RECOMMENDATION TO THE PARENTS

1. The School expects the co-operation from the parents to ensure :
 - a) That the children come to school regularly, punctually and dressed neatly.
 - b) That the children bring to school their books and note books, which are properly maintained.
 - c) That the children do their home work regularly.
 - d) From time to time, come to the school and find out about their children's progress.
2. Occasional report from teachers are conveniently made in the school calendar. Parents are requested to sign them as a proof that they have gone through the reports.
3. When parents are required to see the Principal regarding any complaint, they should comply as early as possible.
4. Parents and Guardians are not allowed to see pupils or interview teacher during class hours without permission of the Principal in advance.
5. Parents and Guardians are specially requested to adhere, strictly the rules, regulations and help the school to enforce discipline and regularity to build good habits and character in their children.

Dear Students and Parents,

One of the greatest gifts a parent can give their children is good education. With the sole objective of providing the best possible education to every child we have established New English School, Hadapsar in the year 1985, Subsequently, in the year 2013, we have commenced our Junior College for all the 3 streams - Arts, Commerce, and Science, including, Bifocal. We also have plan to start a degree college in future.

Our campus is housed in a quiet and tranquil environments. It has Spacious class rooms with all modern amenities, We have well equipped laboratories for all the three science streams viz. Physics, Chemistry and Biology, well-stocked library, and two computer Labs

Academic Excellence is important -but so are sports, arts, crafts, dramatics, music, dance, etc. We have a big ground for sports and have teams for football, hockey, cricket, etc. in addition to indoor sports facilities. Also we have our own fleet of school buses.

We have talented, dedicated, caring, team of staff, each of whom works very hard to ensure that the abilities of the children in our care are nurtured and carefully developed. our teachers are experienced and work as a team to make the school a very special place, every day, for your child.

with the active support of our parents, we envisage, our students growing up as leaders and honest citizens of our nation. Our students will be the role models for the society, full of moral values and patriotism.

I Welcome You to Our Campus.
